and requesting that
orders may be issued

A. The object of making a Artillery Camp is to have a New classification ranges but merely to use certain Naked & Barren lands in a Camp area to improve the value of the land. The Sanction of Govt is always necessary for C.R. & other subject to the usual conditions & arrangements being made for Security of persons and property and of compensation for any damage done. The Hd Qrs has now sent sketches showing 4 sites which have been selected for the provision of Artillery Camp Sites. It is stated that it will not be necessary to clear any villages nor will the Ranges interfere with any cultivation. Orders are passed asking whether a RC may be consulted upon whether sanction may be accorded by Govt for the use of the areas specified.

CLASSIFICATION RANGES.

A Ref. your C.L.O.324/43-44 dated 25th February 1944 in which you informed this H.Q. that the Government of Mysore had been pleased to accord sanction in principle for the improvisation of Classification Ranges at various camps subject to normal safety precautions and compensation arrangements.

2. Sketches showing the places which have been selected for improvisation of classification ranges at various camp sites, with the exception of Vadigenhalli camp are attached herewith. The sketch for Vadigenhalli will be forwarded early next week.

3. You will notice that there is a large hill behind the target area at each range. Therefore, it will <u>not</u> be necessary to clear any villages, nor will these ranges interfere with any cultivation.

4. Please obtain the formal sanction of the Government of Mysore for the use of these areas for the improvisation of classification ranges.
